Dear Supervisor Ramirez and Trustees:

Thank you very much for Elgin Township's generous grant payment of \$70,000 to provide behavioral health services for residents of Elgin Township.

Your funding will help provide therapy, counseling, case management, residential, nursing, psychosocial rehabilitation, psychiatric crisis services, and substance use disorder counseling to Elgin Township residents with mental illnesses. Because no goods or services were received in return for this gift, it is tax deductible to the extent the law allows.

Thank you, again, for your generosity and support.

We provide food to our neighbors who don't know otherwise from where they will get the week's food. More than that, we build community and give hope to people facing the abyss of despair. For them, you are a point of light in the night, a reminder that we are a community and no one will be abandoned.

Dear Franklin and Elgin Township Board of Trustees,

Thank you for your **\$5,000 donation to Making Kane County Fit for Kids** that was received on December 12, 2020. We deeply appreciate **Elgin Township's grant award for Healthy Eating and Active Living Projects** that will affect children and youth in the **Elgin Township service area**.

Through the Fit Kids 2020 Plan, Making Kane County Fit for Kids addresses four strategic action principles that will help create a Kane County that is "Fit for Kids".

- o Provide parents and children with reliable, up-to-date information in multiple settings regarding healthy physical activity and eating habits.
- o Support a culture of wellness and health promotion in our schools, workplaces, and other institutions.
- o Develop land use, planning, and other public policies that foster and support physical activity for all in our community.
- o Assure that fresh fruits and vegetables are affordable and accessible to all families in our community.

To date, Fit for Kids has invested over \$870,000 in 122 Healthy Eating and Active Living community projects that have benefitted children or youth from preschool to high school.

We value your four year partnership! Together, we are creating environments where all children will enjoy a healthy lifestyle.
