Dear Mr. Bruderle and Elgin Township Board of Trustees,

On behalf of all of us here at Fox Valley Hands of Hope, thank you so much for awarding \$6,765 to our organization! It is because of generous funders like the Elgin Township that we are able to provide quality support at no cost to clients.

We are so grateful to have people like you who work to ensure local organizations have the ability to enact our missions.

Your effort helps to instill hope in the hearts of people who have lost a loved one. If you have any questions during the year about Fox Valley Hands of Hope please do not hesitate to reach me at cculton@fvhh.net.

Best,

Dear Ken,

On behalf of the Ecker Center, I would like to thank Elgin Township for the social service grant of \$72,015 and the transportation grant of \$5,000. Your grants makes it possible for our continuing commitment to provide comprehensive, quality behavioral health care in our community.

The demand for behavioral health services this year was at an all-time high with over 7,000 individuals seeking help from Ecker, an increase of 149% from the previous year. Now more than ever your support is vital to our ability to fulfill our mission. Thank you for your generosity.

Because no goods or services were received in return for your gift, it is tax deductible to the extent the law allows.

With eternal gratitude,

Fit for Kids

Dear Kenneth and Elgin Township Board of Trustees,

Thank you for the **\$4,935 donation to Making Kane County Fit for Kids** that was received on December 20, 2021. We deeply appreciate **Elgin Township's** continued partnership in encouraging a culture of healthy habits for children and youth. Grant monies will be used for Healthy Eating and Active Living Projects that benefit children/youth in the Elgin Township service area.

Through the Fit Kids 2020 Plan, Making Kane County Fit for Kids addresses four strategic action principles that will help create a Kane County that is "Fit for Kids".

- o Provide parents and children with reliable, up-to-date information in multiple settings regarding healthy physical activity and eating habits.
- o Support a culture of wellness and health promotion in our schools, workplaces, and other institutions.
- o Develop land use, planning, and other public policies that foster and support physical activity for all in our community.
- o Assure that fresh fruits and vegetables are affordable and accessible to all families in our community.

Strategies affect all children, with particular attention given to those most vulnerable and disproportionately affected. Every child should have the opportunity to live and grow in an environment where nutritious food and physical activity are both accessible and encouraged.

Sincerely yours,

Jacqueline Forbes

Thank you for creating limitless possibilities for infants and children with developmental delays and disabilities. Your \$14,525.00 social services grant payment to Easterseals DuPage & Fox Valley will ensure that children and their families have the therapy services and support they need to meet their milestones and reach new goals.

Your continued generosity makes it possible for us to provide in-person and tele-therapy services to more than 1,000 children each week. We believe in their abilities, help them achieve their goals and celebrate their progress every step of the way. Thank you for helping ensure that children with disabilities and their families are empowered.

You are moving our mission forward, and we are truly grateful. Together we are building an inclusive community where every child can thrive.

Thank You,

Theresa Forthofer
