Dear Franklin,

Your generous \$5000.00 grant for Transportation for Elgin residents helps create opportunities for individuals with physical, developmental, intellectual and mental health challenges that empower them to enjoy lives of dignity and purpose. Empowered individuals with special needs live, work and grow; they contribute to and participate in community life.

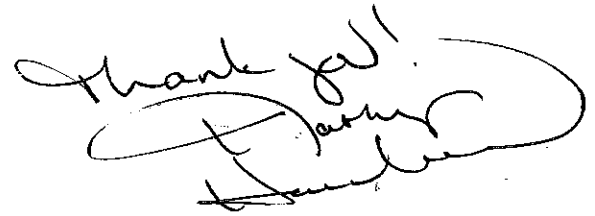

AID provides vital, customized services each year to more than 6,500 individuals with developmental, intellectual and mental health challenges. With you as a champion, these unique individuals get the support they need to make their lives extraordinary. Your partnership is invaluable.

In our ever-changing world, we are aware of the growing number of commendable non-profits that request your support every day. We are so grateful you have chosen to empower our friends, family members and neighbors to enjoy lives of dignity and purpose.

Please contact us or visit our website to learn more about AID and the special people we serve. Please tell your friends and family members about the work we do, the lives we touch and how each partnership helps strengthen the fabric of our communities.

Warmest regards,

 Lynn O'Shea
 President

16TH JUDICIAL CIRCUIT
KANE COUNTY COURT SERVICES

6/25/18

Franklin Ramirez, Township Supervisor
Town of Elgin
729 S McLean Blvd, Suite 200
Elgin, IL 60123

Dear Supervisor Ramirez,

On behalf of the Kane County Treatment Alternative Court, I would like to thank you and Elgin Township for your recent contribution of \$2,500.00. Your financial support will help us continue to provide much needed transportation assistance to the Treatment Alternative Court participants.

Providing transportation assistance for TAC participants helps to ensure the participants engagement in necessary mental health treatment and judicial supervision by allowing access to their local community mental health treatment provider as well as the Kane County Judicial Center via the PACE bus routes.

Thank you again for your support!

Sincerely,

Lindsey Liddicoatt, LPC, CADC

Program Coordinator
Kane County Treatment Alternative Court
