Dear Supervisor Ramirez and Board of Trustees,

Thank you for your **\$5,000 restricted donation to Making Kane County Fit for Kids** that was received on December 14, 2018. Grant monies will be used specifically for the **Implementation of the Fit Kids 2020 Plan – Healthy Eating and Active Living Projects** that would benefit Elgin Township children and families. We deeply appreciate **Elgin Township’s** support in encouraging a culture of healthy habits for children that will help **reduce childhood obesity**.

Through the Fit Kids 2020 Plan, **Making Kane County Fit for Kids** addresses four strategic action principles that will help create a Kane County that is “Fit for Kids”.

- o **Provide** parents and children with reliable, up-to-date information in multiple settings regarding healthy physical activity and eating habits.
- o **Support** a culture of wellness and health promotion in our schools, workplaces, and other institutions.
- o **Develop** land use, planning, and other public policies that foster and support physical activity for all in our community.
- o **Assure** that fresh fruits and vegetables are affordable and accessible to all families in our community.

Strategies affect all children, families and communities, with particular attention given to children most vulnerable and disproportionately affected. Every child should have the opportunity to live and grow in an environment where nutritious food and physical activity are accessible and encouraged.

We value **Elgin Township’s continued partnership** and vital support!
