

Elgin Township Road District
Rodney A. Seyller, Highway Commissioner
April 1st, 2019- March 31st, 2020

Crack Filling:

Barry Road, Brindlewood Lane, Wedgewood Drive, Amberwood Drive, Ridgewood Lane, Almora Terrace, Hilltop Drive, Westview Street, Brookside Drive, Olwin Ave, Win Haven Drive, Howard Avenue, and Township Parking lots (Parking lot was also sealed).

Paint Stripping:

Hopps Road, Kenyon Road, Barry Road, Middle Street, McDonald Road, Coombs Road, Nolan Road, Stevens Road, Raymond Street, and township parking lot stalls.

Snow Removal:

Plowed/Salted approximately 60 lane miles of road and township parking lots. Approximately 1200 tons of Clear Lane ice control material was used on the roads and township properties over the course of several events.

Battery Recycling:

Collected, hand sorted, and packaged approximately 30,000 lbs. (42 fifty five gallon drums) of household batteries for shipping to battery recycling facility. * ALL LITHIUM ION BATTERIES ARE TO BE TAPED AND SEPERATLEY PACKAGED *. Maintained battery collection boxes.

Maintenance/Construction:

Maintained shoulders on all roadways under the townships jurisdiction (recycled asphalt grindings, gravel, and black dirt). Replaced various driveway culverts and cross culverts throughout the township as replacement was needed. Dugout and replaced blacktop on roadway where needed. Managed bidding and installation of new fence between township parking lots. Also installed new signage on fence.

Signage:

Replaced and upgraded signs throughout the township as needed. (Including post and mounting hardware).

Brush Removal:

Chipped brush put out by homeowners on Elgin Township maintained roadways April (34 loads), May (17 loads), September (25 Loads) and October (12 loads). Made additional rounds on township maintained roads (after heavy storms). Delivered wood chips to residents (free of charge).

Tax Levy:

Maintained 4th lowest tax levy rate among the 16 Township Road Districts in Kane County.

Equipment:

Purchased: Placed an order for a new chipper truck to replace our current 2002 chipper truck.

Sold/Traded in: We will be selling current chipper truck after we take delivery of new chipper truck.

Yearly Maintenance:

Provide routine maintenance to approximately 60 lane miles of Township roads which includes: pothole patching, repair road (includes new base if necessary), spray roads to prevent growth of vegetation, crack fill, sign maintenance, cleaning and clearing of ditches along roadways, mowing ditches, trimming structures (signs, guardrails, etc.) along roadway, removal of trees and brush that encroach on roadways, clear from debris and maintain drains and drainage structures, maintain equipment, maintain battery boxes and empty when necessary, deal with any emergencies that might come up pertaining to township roads and roadways, provide snow removal for parking lot at 729 South McLean Blvd, building and grounds at the Township garage located at 725 South McLean Blvd.

Current/Projected Projects:

Currently in the final stages of engineering for the Elgin Estates Reconstruction Project. This consist of replacing 100% of the curb and gutter, driveway approaches, and roadway. Bid letting to be done March /April with construction to start soon after. The Township applied and was awarded a grant to help fund the project. The project was going to consist of two phases spanning 2019-2020 however; with the grant the road district is able to complete both phases in 2020. This will significantly cut down on the burden for our residents.

Finished phase one and started phase two (of three phase process) of Coombs Road Bridge Replacement Project with the intent of going to bid March 2021.

Highway Commissioner's Annual Inventory Report 2019

Equipment/Machinery	Value	Condition
2002 Ford F450 Dump Truck 6	\$10,000	Fair
