Dear Supervisor Ramirez,

Thank you to you and the Elgin Township Trustees for continuing to fund a valuable service to the homeless population in Elgin. Thank you for your generous donation of \$30,000.00 to PADS of Elgin.

Because of your support, we will be able to continue to provide our guests with a safe place to sleep, food, clothing, coats, shoes and a hot shower. We will also provide comprehensive case management services that assists with finding employment, financial planning and if necessary, referrals to mental health or substance abuse counseling.

In our last fiscal year, we provided nearly 15,000 nights of shelter and served more than 26,000 meals to more than 420 men, women and children. In addition, more than \$.84 of every dollar we receive goes directly to program services, which is why we have a greater than 70% exit shelter success rate.

You helped make all of this possible!

All of us at PADS of Elgin truly appreciate your support. Thank you again for helping us to provide a lifeline to the homeless in our community.

Sincerely,

Patricia Williams

Dear Mr. Ramirez:

On behalf of our Board of Directors of Easterseals DuPage & Fox Valley, I would like to extend our thanks for continued Social Services Funding from Elgin Township. Your support makes a significant difference in the lives of Elgin Township infants and children with developmental disabilities.

The goal of our Pediatric Outpatient Medical Rehabilitation Services is to provide the personalized intervention which strengthens the physical, social, emotional and intellectual abilities of children with DD, through rehabilitative therapy and supportive services. We help each child reach important developmental milestones and strengthen their abilities through services that reflect their specific needs. These services provide the most valuable approach for promoting development during the first years of life and building a foundation for the future.

Enclosed, please find the grant agreement for Elgin Township Social Services funding. You can always contact me directly at 630.282.2032 or ejohnson@eastersealsdvr.org.

Most Sincerely,

Dear Franklin,

Senior Services Associates, Inc. wishes to acknowledge receipt of your generous grant in the sum of \$45,000. Thank you on behalf of the Board of Directors, staff, volunteers and the clients we serve. We are most appreciative.

Senior Services Associates is grateful to Elgin Township for recognizing the tremendous need existing for a new Information & Assistance coordinator in the Elgin office. With the help of the Township funds, we are able to hire the ideal candidate, who will certainly impact the health and wellness of the seniors we serve, while also having a positive influence on the Elgin community as a whole. Many seniors and disabled persons come to the Greater Elgin Senior Center looking for information, education and support. With this added key staff member, we will serve more seniors in a timely manner, enhancing their quality of life. And, by attending classes in our Senior Center and the Elgin Township Building, these individuals discover their mental and physical health improves.

We acknowledge that Senior Services Associates, Inc. did not receive any goods or services in exchange for this donation.

We are honored to be among the deserving organizations who have earned the trust and confidence of Elgin Township. We look forward to a continued successful partnership and invite you to come for a site visit and see our programs in action.

With Sincere Gratitude,

Dear Mr. Ramirez,

Thank you for approving the funding request application for our School Based Mental Health Program. This program provides important supports to youth and their family in Elgin Township. Our team is supported by a Wraparound Advisory Resource Team in which case presentations are discussed and decisions are made about additional supports that families may receive through the program. We invite yourself or any other member (your Social Service Professional may find this of benefit) of the Township staff to join this committee. Many members of the community are involved in this group including the Kane County Health Department, Community Crisis Center, Kane County Regional Office of Education, U-46, District 300, Aunt Martha's and others. The Township would certainly be a welcomed addition. The next meeting takes place on Tuesday, November 27 at 4pm and the final meeting of 2018 will be on December 11, at 4pm. Both take place at our main office (1140 N McLean Blvd). For more information, please contact Jennette Siebens at jsiebens@fsaelgin.org or 847-695-3680.

Thank you again for supporting FSA!
